## C3PO

*If rapid test is + or pt had + test in last 7 days*

Page #11502–trauma research (TRG)

### Intervention

- Order blood type & screen** (note 4 C3PO)
- TRG will randomize pt* (CP vs Placebo)
- Order study drug**
- DO NOT TELL PT which treatment they receive!**
- Administer study drug
- Post-study blood draw
- Send home with study d/c info sheet
