## Duke—EFIC Approval

Congratulations to Duke University for becoming the 1st HOBIT site to receive EFIC approval!

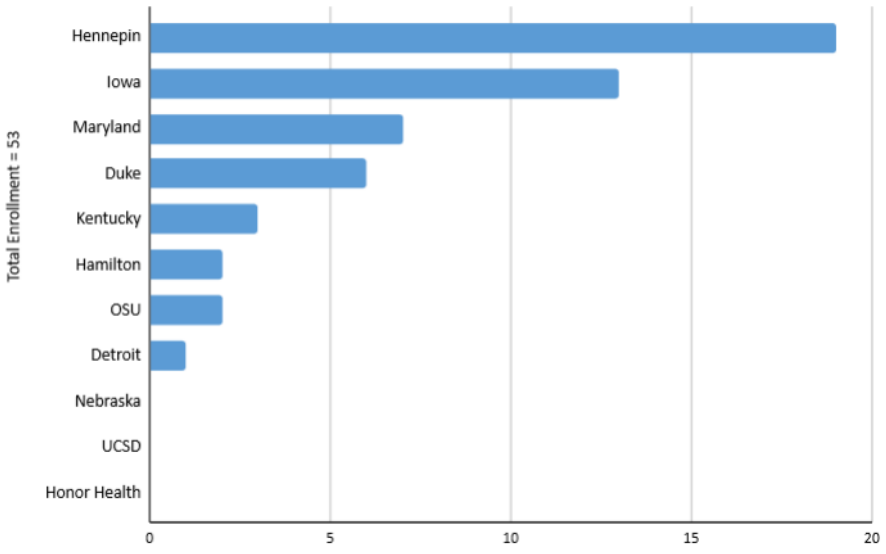

## Iowa—Subject Recently Enrolled

Great work by Iowa for recently enrolling!

## St. Mary's—Study Team Trained

Great job to the study team at St. Mary's for completing protocol training and uploading regulatory documents!

HOBIT Enrollment by site through 1/15/2021

## HOBIT Updates

### Continuing Renewal

The HOBIT Continuing Renewal is due! Please keep an eye out for a questionnaire next week.

As a reminder, the Coordinating Center will submit the Continuing Renewal to Advarra on the site's behalf. Please do not submit anything in CIRBI.

### Continuing Renewal

Reminder! Continue to enter subjects in the screening log

### Resources

#### Chamber and Subject Log V7

An updated version of the Chamber and Subject Log is now available in the HOBIT website Toolbox, under Chamber Resources & Simulation. Please use this version going forward.

Please note:

1. Only use the latest version of this form.
2. Only use this HOBIT form for recording the HOBIT treatment data and upload this form to WebDCU.
3. If possible, for consistency, please have only one individual complete this form.

### BioHOBIT Update

All sites should have BioHOBIT kits available on site. Please reach out to [Natalie Fisher](#) with questions.

Please review the BioHOBIT MOP and Milestone Document on the [Bio-HOBIT tab on hobitrial.org](#)
