# HOBIT NEWS

Hyperbaric Oxygen Brain Injury Treatment Trial Newsletter

### Reminders

**+NETT/SIREN Study Coordinator Call**

January 7th at 1pm ET

**+NETT/SIREN Steering Committee Call**

January 22nd at 12pm ET

## Iowa—Participant Enrolled

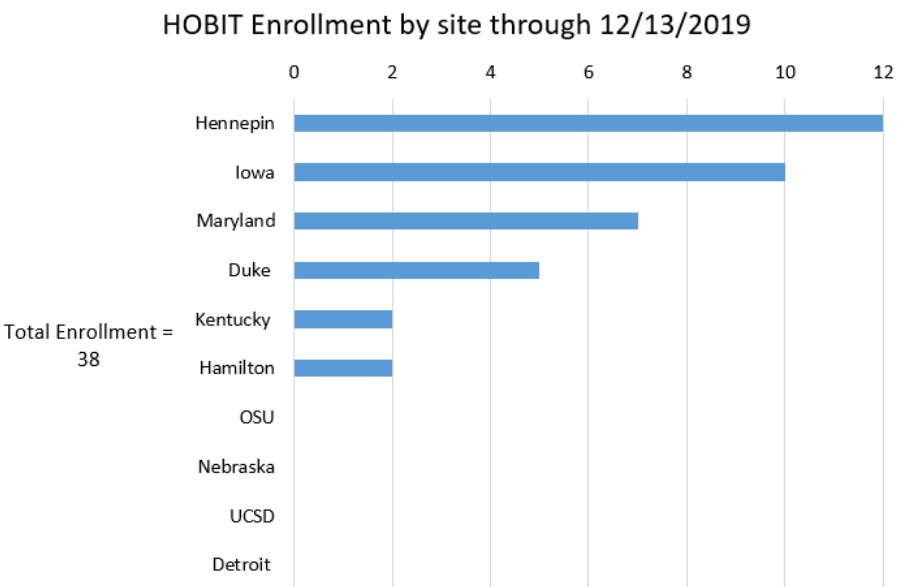
Great job to the University of Iowa Hospitals & Clinics for recently enrolling a participant!

## Kentucky & OSU– Retraining complete

Thank you to Kentucky & OSU for recently completing retraining requirements!

## GOSE Assessments Complete

Great job to Iowa, Duke, Hennepin, Hamilton, and Maryland for recently completed GOSE assessments!



## HOBIT Updates

### EFIC Virtual Investigator Meeting—Follow Up

Thank everyone who join us for the EFIC virtual investigator meeting. The meeting slides and video are now posted and available on Hobittrial.org. There are many resources on our website under the EFIC Resources page, that study teams can start looking over related to the EFIC process. We will be providing information about the next steps for the EFIC shortly.

### MOP Updates

- If a subject cannot be reached to complete the GOSE assessment within the specified window, study teams must request an extension to contact the subject "out of window"

  New Paragraph added to section 3.6.1 (Conducting the GOSE Assessments)

  "If a site cannot complete an assessment within the respective windows (30 days (± 7 days) post-injury, 90 days post-injury (± 14 days), and 180 days (± 21 days) post-injury) sites must ask HOBIT leadership for an extension to contact the subject out of window by emailing: hobit-milestone@umich.edu."

- Dive logs should be completed for ***ALL*** subjects and ***ALL*** dives. Please see MOP section 3.10.8 (Chamber and Subject Log) for more information. The CRF Guidelines and CRF 275 will also be updated shortly.

### GOSE Quarterly Meeting

The GOSE Quarterly Meeting slides and video will be made available on the HOBIT website soon. Please keep an eye out for these early next week!

### HOBIT HOTLINE—Call Anytime!

We want to encourage all sites to call the HOBIT hotline anytime you have questions about an eligible patient. The line is always open, 24/7.
