HOBIT Updates

New Resources in the HOBITTRIAL Toolbox

We are currently working on an educational handout for study team to use during the consenting process to help LARs better understand the HOBIT study. More info to come soon!

WebDCU—IRB Study Communications

Study team can now waive IRB Study Communications in WebDCU. Communication to and from the cIRB will be uploaded as needed. Please check the Parameters Document for more information.

Protocol Training for GOSE Assessors—no longer required & can now be waived in WebDCU

We have updated the requirements for HOBIT protocol training for GOSE assessors; HOBIT protocol training is no longer required for those with only the responsibility to perform the GOSE. Study personnel who have the responsibility to perform GOSE in addition to other tasks, will be required to complete HOBIT protocol training. You can now waive protocol training in WebDCU. Please check the Parameters Document for more information.
