HOBIT Enrollment by site through 3/20/2020

### HOBIT Updates

**HOBIT Sites on Enrollment Hold Due to COVID-19**

The following sites are currently on an enrollment hold due to COVID-19:

- Duke University Hospital
- Hennepin County Medical Center
- HonorHealth Scottsdale Osborn Medical Center
- Spectrum Health Hospitals Butterworth Hospital
- UCSD Medical Center - Hillcrest Hospital
- University of Iowa Hospitals and Clinics
- University of Kentucky Hospital
- University of Maryland Medical Center
- University of Nebraska Medical Center

If you are not listed here but are currently on an enrollment hold, please let HOBIT leadership know at [hobit-milestone@umich.edu](mailto:hobit-milestone@umich.edu).

**EFIC Activities**

Since many sites are on an enrollment hold for an unknown period, this is an ideal time to begin or continuing working on your site EFIC plan. HOBIT leadership will be sending out a notification on how your EFIC plan can be done during this time of social distancing. Most EFIC CC and PD activities usually take 3-5 months to complete and our goal is to have all or most sites ready to enroll under EFIC when your enrollment hold is lifted.

**Complete Screening Logs**

All sites should continue to screen for eligible HOBIT participants during this time and enter them into the Screening Log.

Screening Logs should be update to date—please enter subjects from previous months if this has not been done yet.
