**Enrollments Needed!**

**22 reported screen failures in the month of June**

## HOBIT UPDATES

### Enrolling Sites...

Three sites are now open to enrollment: **Ohio State University, University of Iowa and Duke**. Several sites state clinical research will be coming back at their site soon!

Enrolling sites should **do COVID testing of potential subjects as soon as possible so results will not delay enrollment!**

### Reminders...

Remember to report ALL screen failures monthly. When indicating the reason, include 'COVID restrictions' in the 'Other reasons' field in WebDCU.

Get upcoming follow-up GOSE assessments scheduled!

As your site gets closer to reinstating HOBIT enrollment its time to make plans for Clinical Team refresher training or in-service activities

### EFIC Goals

Milestone 1 funds are available! Get your plan entered in WebDCU, get it approved by the CCC and collect your funding. Incorporate events in your plan that can be done during social distancing and get going!

**Duke, HCMC, Honor Health, OSU, Spectrum, UMD**

Thank you to those sites that have notified the CCC of their estimated date for EFIC activity **completion**—all by September 1st.

**Spectrum, Iowa, UCSD**
