## Congratulations

to the  
**University of Iowa**  
for their recent enrollment of HOBIT Subject #42!

## HOBIT UPDATES

### GOSE Quarterly Meeting...

Don't miss the meeting on Wednesday June 10th! Study Coordinators should touch base with their assessors to ensure they did not miss the meeting invite and reminders.

### Enrolling Sites...

Three sites are now open to enrollment **Ohio State University, Iowa and Duke. REMEMBER to do COVID testing as soon as possible so results will not delay enrollment!**

### RSDV Update...

Thanks to those sites that responded to the RSDV survey. We currently have seven sites with RSDV capability! Our thanks to **Iowa, Duke, Kentucky, Nebraska, Wayne State, Spectrum, and UC San Diego!**

### EFIC Goals

The following sites are still reaching for Milestone 1:

**Duke, HCMC, Honor Health, OSU, Spectrum and UMD**

Please help us reach the CCC goal to have every site reach EFIC Milestone 1 by July 1, 2020.

Community Consultation and Public Disclosure events and the Local Context Form need to be entered in WebDCU and approved by the CCC to receive Milestone 1 funds. Remember to incorporate events in your plan that can be done during social distancing.
